

## Project SPORT4CITIZENS

### Description of the project

Sport4Citizens is a collaborative project of Prague 5 (Czech Republic), Budapest - Újbuda (Hungary), Bratislava - Petržalka (Slovakia), Belgrade - Savski venac (Serbia) and Trogir (Croatia).

The project is implemented with the support of the Erasmus+ Programme of the European Union.

The project has three main pillars:

1. exchange of know-how among the partners in the areas: promotion of sport; sport and inclusion; financing of sports
2. to create an international network of municipalities
3. to promote sport activities based on EU Guidelines on Physical Activity among the citizens inside of the project network and outside. Sport4Citizens will promote sports typical for the countries involved in the project among the citizens of the other partner towns.
